## Software Developer

### COMPANY

Movendo Technology ([www.movendo.technology](http://www.movendo.technology)) is a young innovative medical company focusing on the design and production of cutting-edge robotic technologies for physical rehabilitation. Movendo is a spin-off of the Italian Institute of Technology ([www.iit.it](http://www.iit.it)), a research center leader in robotics, neuroscience, nanotechnology, renewable energies, graphene, and computation.

Movendo Technology has been funded by Sergio Dompé president of Dompé Farmaceutici Spa, a leading Bio-Pharmaceutical company.

### SOFTWARE DEVELOPER POSITION

We are looking for highly motivated software engineers to join our R&D team to develop new software for innovative products and devices in the fast-growing rehabilitation market. The selected candidates will be part of an interdisciplinary team (consisting of experts in engineering, robotics and medicine) that aim to design rehabilitation robotic devices.

### THE SKILLS WE ARE LOOKING FOR ARE:

The successful candidates should have:

#### Essential Requirements

- An excellent first degree in computer science or engineering/related areas;
- At least 1 year of proven extensive programming experience;
- Proven experience as full-stack developer (HTML5, JavaScript, Angular 6, Python Backends, SQL);
- Working knowledge of GNU/Linux OS;
- Knowledge of version control software (svn, git or equivalent);
- Ability in analysis and solution of logical problems;
- Good communication skills and ability/willingness to integrate within a multidisciplinary team;
- A good knowledge of English will be useful but an ability to learn is acceptable;

### Additional Skills

Knowledge and experience in one or more of the following areas will be a plus:

- Knowledge of C, C++, development using OOP;
- Working knowledge of Data Science, AI or Machine Learning;
- Experience or interests in robotic systems and embedded platforms.

Workplace: Genova

A competitive salary, dependent on experience, will be offered.

### APPLICATION PROCEDURE

Interested applicants should submit in electronic form their CV outlining experience and qualifications, and a statement of interests and plans to career@movendo.technology, stating "SW DEV" in the subject of the e-mail.

In order to comply with the Italian law (art. 23 of Privacy Law of the Italian Legislative Decree n. 196/03), we have to kindly ask the candidate to give his/her consent to allow Movendo Technology to process his/her personal data. We inform you that the information you provide will be used solely for the purpose of assessing your professional profile to meet the requirements of Movendo Technology. Your data will be processed by Movendo Technology, with headquarters in Genoa, Calata Cattaneo 15 Edificio Millo, acting as the Data Holder, using computer and paper based means, observing the rules on protection of personal data, including those relating to the security of data. Please also note that, pursuant to art.7 of Legislative Decree 196/2003, you may exercise your rights at any time as a party concerned by contacting the Data Manager. Movendo Technology is an Equal Opportunity Employer that actively seeks diversity in the workforce.
